New internal passports are being issued in Lublin Voivodship. This is a trial and controlled (sic) issue, starting in January 1953. After these passports are issued in Lublin Voivodship, it is expected that they will then be issued in the other voivodships. [REDACTED] the reason they are being issued in one voivodship at a time is that there is a shortage of blank forms and the government wishes to test the people's reaction.
